Arrangement relative a l'approvisionnement des sièges

E60PQ-120001/071/PQ – Montreal

An aerial, top-down view of a modern office space. The layout is flexible and modular, featuring various types of desks and tables. There are several rectangular desks, some with chairs around them, and some with curved or L-shaped configurations. There are also circular tables, some with chairs, and some with decorative elements like plants or colorful blocks. The office is divided into several distinct zones by low walls or partitions, suggesting different functional areas like meeting rooms, collaborative workspaces, and private offices. The overall aesthetic is clean, bright, and functional, with a focus on ergonomics and flexibility. The text "Arrangement relative a l'approvisionnement des sièges" is overlaid in the center in a large, white, sans-serif font.
