Humanscale®

M/Flex for M2.1 M8.1 and M10

Model Number: X22SBS
List Price (As of 04/25/25): CAN\$1,102.00
Buy Now Price: CAN\$820.00

FEATURES

- Scalable solution accommodates future additions of up to 6 monitors
- Compatible with Humanscale’s M2.1, M8.1 and M10 monitor arms
- Reduces future installation costs by allowing for simple reconfigurations
- Available with accessories such as Notebook Holders, Crossbars, Thin Client Holders, UFEAs, Colored VESA Covers and Sliders
- Patent-pending Smart Stop allows the user to customize the rotation of the arm, preventing overhang and protecting surrounding equipment.
- Patent-pending Quick Release Joints instantly snap together for a secure and robust fit, simplifying installation
- Compatible with M/Connect, M/Connect 2 and M/Power, the first-ever integrated monitor arm bases and docking stations of their kind

SPECIFICATIONS

Maximum Arm Reach - Up to 28”
Maximum Height Adjustment - Up to 10” dynamic // 30” static
Monitor Capacity - Up to 6 monitors
Color Options:

- Polished Aluminum with White Trim
- Silver with Gray Trim
- Black with Black Trim

Product Material - Recycled Aluminum
Warranty - 15 years 24/7

CONFIGURATION DETAILS

CODE DESCRIPTION	
X2	- M/Flex for M2.1 Monitor Arm
NT	- Base Without Technology
N	- No Technology
C	- Clamp
B	- Dual Bracket for 2 Monitors
S	- Silver with Gray Trim
D	- Dynamic Link
S	- Slider For Single Monitor
B	- Standard 100mm x 100mm, black
D	- Dynamic Link
S	- Slider For Single Monitor
B	- Standard 100mm x 100mm, black
12	- 12" High Post

SUSTAINABILITY

By purchasing this product you are helping create a cumulative Net Positive impact on the environment by the following amounts:

Climate Positive - M2.1: 2 kg CO2 M8.1: 2kg CO2 M10: 3kg CO2
Water Positive - M2.1: 5 k Gallons M8.1: 5 k Gallons M10:6 k Gallons
Energy Positive - M2.1: 4 kWh M8.1: 6 kWh M10: 9 kWh

M2.1

Model Number: M21TBS
List Price (As of 04/25/25): CAN\$555.00
Buy Now Price: CAN\$399.00

FEATURES

- Allows user to view their monitor(s) at an optimal position
- Rubberized Cable Management makes it simple to run cords through a modular system for a clean, sleek and organized aesthetic
- A patented, weight-compensating spring technology enables smooth and uniform height adjustment
- Built-in Counterbalance Indicator provides the ability to counterbalance the monitor weight before monitor installation to reduce expensive computer setup costs
- Patent-pending Smart Stop allows the user to customize the rotation of the arm, preventing overhang and protecting surrounding equipment
- Patent-pending Quick Release Joints instantly snap together for a secure and robust fit, simplifying installation. Only one tool is required, and it's neatly concealed inside the arm base
- Can be configured to hold up to two monitors
- Compatible with M/Connect 3, the first-ever integrated monitor arm bases and docking stations of their kind

SPECIFICATIONS

Weight Capacity:
Standard Single or Dual Monitors
5 - 15.5 lbs
5 - 22 lbs (Select Configurations)
Height Adjustment: Up to 10"
Color Options:

- Polished Aluminum with White Trim
- Silver with Gray Trim
- Black with Black Trim

Warranty:
15 year, 24/7

CONFIGURATION DETAILS

6G System with 900 Board and Swivel Mouse

Model Number: 6G90011RG22

List Price (As of 04/25/25): CAN\$631.00

Buy Now Price: CAN\$426.00

FEATURES

- Intuitive height adjustment requires no locks, levers or controls
- Dial-a-tilt positioning allows you to type at the angle most comfortable for you
- Ultra-thin profile provides maximum knee clearance
- Superior design provides maximum strength and stability
- Raised tilt mechanism protects the keyboard from collisions with the edge of the desk
- Humanscale's line of keyboard supports features the 6G, the lightest, most sustainable mechanism of its kind:
 - Utilizes 28% less material than similar mechs
 - Weighs only 6.5 pounds—28% less than similar mechs
- Available in a white finish to provide a clean, modern aesthetic (6G only)

SPECIFICATIONS

- Height adjustment range: 7"
- Tilt adjustment range: 0° to -15°
- Exceeds all BIFMA standards
- Made primarily of powder-coated steel
- 15-year 24/7 warranty

CONFIGURATION DETAILS

Code Description

6G - 6G Mechanism

900 - 900 Standard Keyboard Platform

11R - 8" Right Swivel Mouse Platform

G - Gel Palm Support

22- Standard 21.625" Track

SUSTAINABILITY

A selection of sustainability highlights for keyboard systems:

- Recycled content: up to 19% post-consumer
- Made predominantly of steel, which is highly recyclable

Nova

Model Number: NV3EBB-

List Price (As of 04/25/25): CAN\$878.00

Buy Now Price: CAN\$541.00

FEATURES

- LED and light guide package minimize glare and creates perfectly uniform footprint of light
- Constant torque 'Forever Hinges' ensure stability and product longevity
- Highly adjustable counter-balance design allows for effortless movement and control
- Occupancy sensor for energy conservation
- Touch dimming allows users to customize the brightness level exactly to their preference
- Smart Dimming designed to remember the last brightness setting when turned on and off
- Designed with extended arms to cast a wider footprint of light, illuminating larger areas

SPECIFICATIONS

Product Size

Lower Arm: 15.9"

Upper Arm: 15"

Reach: 32.8"

Color Rendering Index: 91+

Color Temperature: 3000K or 4000K

Lifespan: 50,000 hrs

Power Consumption: 7 watts

Warranty: 10 year, 24/7

Dimming Range: 14% - 100%

Mount Options: Clamp, Desktop Base, Wireless Charging Desktop Base, Wall, Universal Slatwall, Tech Base

CONFIGURATION DETAILS

CODE DESCRIPTION

N	Nova Task Light
V	- Nova Task Light
3	- 3000 K (Warm White)
E	- North America
B	- Desktop Base
B	- Jet Black
-	- Not Applicable

SUSTAINABILITY

- Made without Red List chemicals
- Nova contains greater than 50% recycled content by weight and is comprised of 70% recyclable materials
- PIR occupancy sensor automatically turns off the light when no movement is detected, conserving energy and costs
- Can contribute to LEED, WELL, and Living Building Challenge certifications
- Humanscale's Horizon 2.0, Infinity and Nova are the only task lights in the industry made without Red List chemicals

Element Disc LED Task Light with Tech Base, White

Model Number: ECEXW

List Price (As of 04/25/25): CAN\$1,185.00

Buy Now Price: CAN\$799.00

FEATURES

- Revolutionary Thin Film LED Technology produces an ultra-wide footprint of glare-free light
- PIR occupancy sensor automatically turns the unit off when not in use, and back on when the user returns
- Dimmer switch provides seven adjustable illumination levels for energy-efficiency and ergonomic function
- Unique design maximizes light output and increases the light's usable life
- Even plane of illumination casts just one shadow
- Perfect internal counterbalance provides effortless, one-touch positioning
- Slender, futuristic form folds into a compact nesting position
- Replaceable head assembly allows for in-field repairs
- 20 mounting options suit virtually any work environment
- Universal power supply and interchangeable plug options accommodate global power outlets
- Sustainable design can contribute to the achievement of valuable LEED credits

SPECIFICATIONS

- Lumen output: 315 lumens
- Power consumption: 7 watts
- Color Temperature: 3000K
- Color Rendering Index: 80
- Lifespan: Up to 50,000 hours
- UL/cUL/CE certification pending
- RoHS/WEEE compliant
- Maximum reach: 28"
- Working height: 18"
- Finish options: White, Silver
- 62% recycled and 96% recyclable content, ships in 70% recycled packaging
- 5 year, 24/7 warranty
